Synopsis: *According to the perpetual lunar calendar:*

*"When the embers or fire sparks catch to the pot of water, it signifies wind.
When the hills echo very loudly and the sea creates great noise, it signifies
tempestuous winds and storms at sea. When, at dawn, dense fog is formed, it
signifies serenity for two days." Let's wait and see.*

Sandro Aguilar

Born in 1974 in Portugal, Sandro Aguilar studied film at the Escola Superior de Teatro e Cinema. In 1998 he founded the production company O Som e a Fúria.
